Wildlife, insects, birds and wildflowers fill the fields surrounding the 1800's barn. Swimming will be at nearby Iona Lake.

Our beautiful post-and-beam camp building lies nestled among the majestic white pine forests of the 800-acre Burnell Family Forest. Here you'll also find cellar holes from the abandoned village of Little Chatham, vernal pools, wetlands and wildlife. Swimming is in the Saco River at Weston's Beach.

The Mountain Road, S. Tamworth

Expansive views from the mountain meadows of the South Tamworth camp include Mt. Chocorua, hayfields, and the northern forests.
